## Featured Servicemember: John Armstrong

We are now gathering a care package for Sergeant John Armstrong, from Commerce. He's currently in Iraq, and won't be returning until September. John has served in the Army since 2001, during which time he has been decorated on numerous occasions. In 2009, he received the Medal for Heroism from the Audie Murphy Museum. He has also received two Army Commendation Medals. He looks forward to spending time with his family with he returns from his deployment, especially his two-year-old son, Jaidryen.

matter what the contents, but that he would really enjoy CDs, especially R&B, and books of any kind.

Show your appreciation to John for his service by bringing care package items to the Hunt County Shopper at 3617 Wesley Street in Greenville. Items can be big or small - we've sent everything from letters of support (which are free!) to a Bible, and everything in-between. For more ideas, check out our list, below. As always, thank you for reading the Hunt County Shopper and supporting Hunt County's local service members!
